SRF has mastered the inflatable segment through its close interaction with the industry to understand their needs and deliver products accordingly. Inflatables are also used as advertising aids and bouncies, which provide entertainment to children.

**Key Features**
- Highly durable
- 100% waterproof
- Can be stored in a small space when not inflated
- Variety of shapes possible
- Very tough to tear
- Easy to handle
- Repairable by heat sealing

**OUR RANGE OF PRODUCTS**
- GSM ranging from 480 to 560
- Customised fabrication to suit your needs
- Available in various colours
- Extensive service network
WE ARE SRF

SRF is a multi-business entity engaged in the manufacture of Technical Textiles, Chemicals, Packaging films & Engineering Plastics. With headquarters in Gurgaon, India, the USD 675 million company with a global workforce of around 5500 has operations in India, Thailand & South Africa.

SRF ACCOLADES

SRF pioneered introduction of synthetic coated fabrics in India. We have been market leaders based on our product range and their performance. SRF’s own polyester yarn, world class weaving & coating facilities and proprietary PVC compounding assures longer fabric life by exceptional functional parameters.
