### Consolidated Q2 Financials

**Gurgaon, 6th November 2015:** Despite continuing global economic slowdown, SRF, a multi-business entity engaged in the manufacture of chemical based industrial intermediates, posted 28% growth in its net profit after tax (PAT) to Rs. 100 crore at a consolidated level during the second quarter ended September 30, 2015 over the corresponding period last year (CPLY). Impacted by a significant reduction in commodity prices when compared with the corresponding period last year, the company's net sales declined marginally by 2% to Rs. 1165 crore during the second quarter of 2015-16 over CPLY. Building on its internal efficiencies, the company recorded 10% increase in its EBIDTA from Rs. 219 crore to Rs. 241 crore during the same period.

### MD's Comments

Reflecting on the financial performance of the company, **Mr. Ashish Bharat Ram, Managing Director, SRF Limited**, explained: *"It is creditable that we were able to grow our bottom-line in an environment where demand is yet to pick up. The depressed agriculture market has affected our business adversely. The turnaround of our global operations continues successfully. Our long-term strategy remains intact."*

### Consolidated Segment Results

The Packaging Films Business reported 104% increase in its operating profit from Rs. 24 crore to Rs. 49 crore despite a reduction of 3% in its segment revenue from Rs. 354 crore to Rs. 343 crore during the second quarter of 2015-16. The segment revenue of the Chemicals & Polymers Business increased by 14%. Its operating profit remained unchanged at Rs. 85 crore despite the prevailing depressed global conditions in the agricultural sector leading to a slowdown in the field of agrochemicals, one of the key customer segments for the specialty business. Hit by decline in the commodity prices, the Technical Textiles Business reported a decline of 11% and 29% in its segment revenue and operating profit to Rs. 460 crore and Rs. 46 crore respectively during the period.

## H1 Financials

In the first six months of 2015-16, the company's net profit after tax (PAT) grew by 25% from Rs. 171 crore to Rs. 213 crore during CPLY. SRF's revenue at Rs. 2388 crore increased marginally by 2% during the same period. The company's EBIDTA increased by 19% from Rs. 430 crore to Rs. 512 crore during the same period over CPLY.

## About SRF
