Consolidated Q1 Financials

Gurgaon, 6th August 2015: Driven by stabilised performance of the recently commissioned overseas units and an overall improvement in operational efficiencies across all businesses, SRF, a multi-business entity engaged in the manufacture of chemical based industrial intermediates, at a consolidated level recorded a 22% increase in net profit after tax (**PAT**) from Rs. 93 crore to Rs. 113 crore during the first quarter ended June 30, 2015 over the corresponding period last year (**CPLY**). After eliminating last year's one-time other income of Rs. 26 crore, the increase in PAT for the first quarter of the current financial year amounts to 69% over CPLY. Net sales of SRF consolidated during the first quarter of 2015-16 increased by 5% to Rs. 1207 crore as against Rs. 1147 crore recorded during CPLY.

Standalone Q1 Financials

The standalone PAT of the company grew by 6% from Rs. 99 crore to Rs. 106 crore during the same period. As explained above, after adjustment for the one-time other income of CPLY, the standalone PAT of the company during April-June 2015 increased by 44% over the same quarter last year. The standalone figure for net sales increased marginally from Rs. 936 crore to Rs. 952 crore during the period. The financial results of SRF were approved by the SRF Board in a meeting held this afternoon.
